

# *Skip-A-Payment*

North Main Credit Union's Skip-A-Payment Program\* may be just what you need!

By participating in the Skip-A-Payment program you can skip one payment per year on your North Main Credit Union loan.

For a small processing fee of \$25, you can choose the month you would like to skip your payment. The fee may be deducted from your savings or checking account. And, if you make your payments via payroll deduction or direct deposit, the amount of your skipped payment will be deposited into your savings or checking account.

Interest will continue to accumulate on your loan during the month you skip your payment.

To request a Skip-A-Payment, print and complete the information below and either mail or fax your request to us.

**\*All NMCU accounts should be in good standing and the loan for which you are requesting a Skip-A-Payment. All real estate, single-pay and delinquent loans may be excluded. Loans should be at least six months old to qualify for a skip. Your request should be received on or before the due date of your loan.**
